Re: Patent Application 10/624969  
Attn: Sameer Gokhale

Dear Shameer Gokhale:

Enclosed are eight(8) new claims to replace the previous claims denied by your "Office Action Summary" mailed on November 22, 2006. These new claims are patterned after the accepted claims I have carefully studied as contained in the four(4) cite patents in my possession.

Thank you for your patience and valuable assistance.

Sincerely,

A handwritten signature in black ink that reads "Stanley A. Peickert". The signature is fluid and cursive, with "Stanley" on the top line and "A. Peickert" on the bottom line.

Stanley Peickert, Applicant
